**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After receiving poor service from AT&T, I have been a very happy customer of Sonic, a local SF Bay Area internet provider who has stellar customer service and provided years of reliable DSL connectivity, and, more recently, fiber connectivity to my family residence.

Were Sonic be forced to increase their rates or forced out of business by the Us Telecom petition to modify the 1996 Telecommunications Act, my access to good quality, affordable broadband residential service will be severely impacted.

Sincerely,

Paolo Calafiura
